Youth Pheasant Hunter Mentors and Volunteers

It is that time again to begin putting together Norco's annual youth hunt. This year I would like to kick off the 2016 season with a meeting of volunteers and mentors. Dick and I have ramrodded the program for 11 years starting in 2004. It is time for us to pass off some of the responsibilities.

The meeting will be Sunday June 12 at 5 pm at the club (we will have pizza). We need Mentors, pre-hunt instructors, kitchen help, Range instructors at the skeet and trap range. We typically get 10-15 participants and we want to keep up the tradition so come to the meeting I will guarantee a memorable experience.

A couple of Norco turkeys. The gobblers where shot by Jaye Fitzgerald (lt) and AJ Springfield on opening day.
