Spring 2017 - SAFE BOATING CLASSES

FOR BOATS OF ALL TYPES: POWER, SAIL, PADDLE

CLASS	DESCRIPTION	COST	LOCATION	START DATE	TIME
Boating Skills & Seamanship (BSS)	Power & Paddle Craft	\$35	Worcester State University*	Jan 25 (8 Wednesdays)	7:00 - 9:00 PM
Sailing Skills & Seamanship (SSS)	Principles of Sailing	\$35	Worcester State University*	Jan 25 (8 Wednesdays)	7:00- 9:00 PM
Coastal Piloting & Navigation	Basic Navigation without electronics	\$60	Worcester State University*	March 15 (5 Wednesdays)	7:00 - 9:00 PM

Skills and Seamanship classes are comprehensive in scope, consisting of eight sessions covering boat operation, safety, seamanship, navigation rules and other boating essentials for power, sail and paddle craft. **BSS & SSS are accredited by the National Association of State Boating Law Administrators and meet boating qualification and/or licensing requirements in most states.**

Classes are taught by qualified Coast Guard Auxiliary instructors with years of practical boating experience on salt and fresh water.

Coastal Piloting is a six session class on navigation and course plotting using charts, instruments and navigating tools without relying on GPS, chart plotters or other electronics. Focus is on salt water coastal boating.

* Classes are held in the Sullivan Academic Building, rooms S 105 and 107. Worcester State University is located at 486 Chandler Street, Worcester, at the intersection of Chandler and May Streets. Access to Sullivan Building parking is from May Street.
