Youth Pheasant Hunt Day – Great Experience for Everyone. The weather was perfect for this year's Youth Pheasant Hunt Day. The day started off with a hearty breakfast and finished with burgers, dogs, and homemade treats.

All the fun happened in-between.....releasing the

birds into the fields, getting the gear on, gear check-out, grab a handful of shells, load-up and let the dogs work the fields. Most hunters bagged a pheasant and were taught field dressing. Several youth hunters have opted for the late season taxidermy class and sent their birds off with the taxidermist Curt DeVillers who will hold a 2 day class starting on November 5th. See more pictures and videos of the youth day hunt at www.norco.club

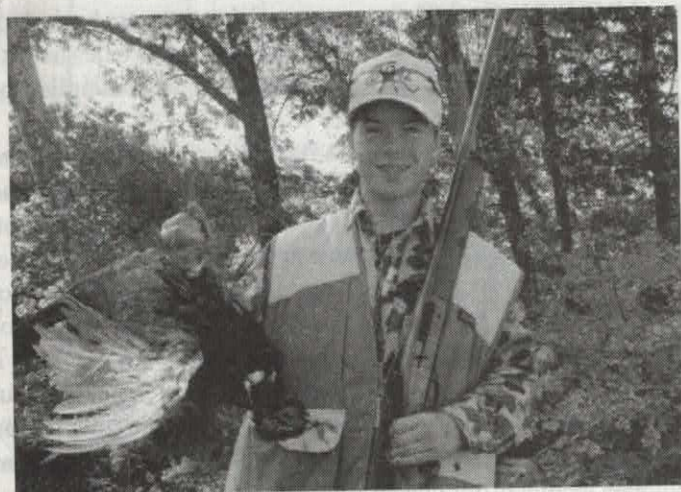

Norco recently hosted the Worcester County League monthly meeting. Norco has been a long-standing member of the League, the League leadership, and provided a warm welcome and hearty meal for everyone that attended. We look forward to supporting the upcoming year of League sponsored programs.
