Visit the Norco Events Calendar for more details on
all events <https://www.norco.club/events/>

Norco to repeat the Gun Shot Wound (GSW) Trauma
and CPR/First Aid/AED class the weekend February
10th 2018. Instructors train the NRA Range Staff –
highly qualified! If interested in signing up, contact
Wayne Adams, webmaster@norco.club Also,
recently Norco has placed GSW Kits at the trap house
and at the rifle/pistol range pond shed for managing
incidents. These kits include tourniquet, chest seals,
blood clotting bandages, and other essential items to
stabilize a victim.

The Norco hosted Taxidermy Class second session

led by self-taught taxidermist Curt De Villers resulted
in 9 students with 9 wall mounted pheasants posed in
flight. The second session steps were 1) rebuilding
the skull with clay and adding in glass eyes, 2) sizing
a neck and cavity form to the bird, 3) adjusting the
wings and legs into a pose, 4) sewing head/neck skin,
the chest skin, and the wing skin over the forms, 5)
mounting the pose to a wall plaque, 6) making many
fine adjustments of the wings, feathers, and the pose.
Students left the class with their pheasant ready for
display. Over the next 8 weeks, as the pheasant's skin
will dry further – it will tighten up, locking the pose
permanently. See pictures See more pictures at Norco.
club

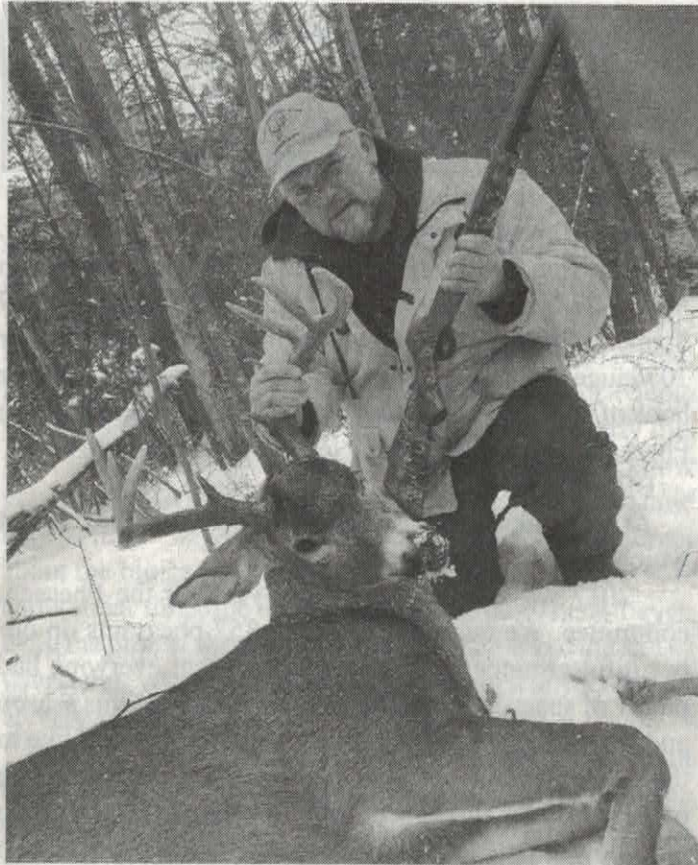

The deer season ended with a big bang. Congrats to
John Lee who bagged a nice 10 pointer with his new
muzzleloader he received on 50th birthday! See picture

Norco members approved the funds for new 3D
archery targets to support club members and new
programs. Contact Peter, our archery chair, at
archery@norco.club if you want to volunteer for the
archery committee and help setup the new targets.

Norco members approved to host the Women in the
Outdoors (WITO) program at Norco, this summer
July 28th. At the January Norco Members Meeting,
Women in the Outdoor's regional leader (and Norco
member) Kelly Dalbec presented an overview of the
WITO Program, which attracts 150 women to par-take
in over 30 unique outdoor workshops. Norco women
members are encouraged to register and or attend or
even consider hosting a workshop. The program will
have a call for volunteers as the event nears.

Defensive Handgun training offered this year at
Norco, with a few changes and additions

- DH1, May 11th 6pm-10pm, May 12th 9am-5pm ,

John Lee and his 10 pointer

Worcester County League 2018 Junior Conservation Camp Applications Now Accepted

WCL is now accepting applications for youth ages 13-17 to attend 2018 Junior Conservation Camp for free.

Applications are due on or before March 17, 2018. WCL selects 3 applicants based on their essays.

The excellent 10 day program imparts a range of skills and knowledge spanning shooting, fishing, camping, conservation, boating, safety, and more.

Camp is August 5-17 in western MA, learn more at www.juniorconservationcamp.org

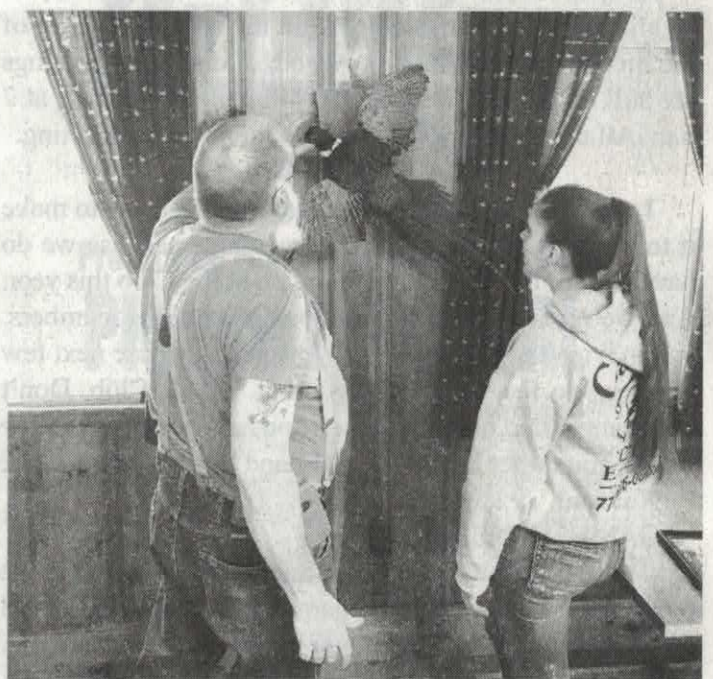

Please read the details on the flyer on page.24 If anyone needs help completing an application, send email to webmaster@norco.club
