

Norco Fishing Survey Early 2018

- Summary of Survey
- Not enough interest to charter a bus and a full boat
- Some members interested both upstate NY and NE ocean fishing
 - Could be small party on a large boat or small party chartering a boat
- Though 6 members took the survey of the >200 members, of the ones responding some would bring friends and family
 - There could be between 4-10 people interested based on availability and expense
- Next step is to pass along to 2 Norco members willing to organize small groups. Web/email will further assist with getting interested parties to sign-on, based on the 2 Norco volunteers plans
