

Become a Sponsor for Norco Sportsman's Club Youth Programs

Your organization's donation of resources can enable Norco Sportsman's Club to do more for our youth and future generations of outdoors stewards for our forests and wildlife. Though the Club raises funds through membership programs and raffles to make these programs open and affordable for everyone, however some of these programs do not achieve their maximum potential. Norco would welcome a donation from you and your organization, and in turn find mutual ways to raise community awareness of your generosity and support of the programs

A brief list of youth Programs hosted and run by Norco through-out the year:

- collaboration with MA Wildlife, Worcester County League of Sportsmen's Clubs, National Wild Turkey Federation
- Youth Day for Kids and Parents build birdhouses, walking sticks and fishing/archery skills
- Fishing Derby's Winter and Spring
- Youth Hunter Education Programs– Basic Hunter ED, Youth Turkey, and Youth Pheasant in conjunction with MA Wildlife
- Annual Christmas Party and Fundraiser

Special Programs and Organizations

- Boy Scouts and Cub Scouts – camp-overs, education demonstrations, Venturing and Klondike Programs
- Youth Pheasant Taxidermy program and Beaver Tanning Programs
- Youth Trap Competition and 3D Archery Competition with Worcester County League of Sportsmen's Clubs (WCLSC)
- Seminars by MA Wildlife, GOAL, Wildlife Society
- Support of local community groups and the town:
 - e.g. Thomas Prince School Halloween Program, Vanessa Marcotte Fund Raiser, Town of Princeton

To learn more about Norco, visit www.norco.club

The Norco Club was formed in 1937 by a group of sportsmen who worked at the former Norton Company in Worcester. The club is a registered State of MA Charity (Tax ID 042653195), with present membership approaching 300. The club and grounds are located at 91 Houghton Road, Princeton MA 01541. The club and its member volunteers conduct youth programs and classes throughout the year ranging in outdoor skills and conservation, first aid/cpr, fishing, hunting, sporting clays, trap shooting, and archery. The Norco Club is in a forestry/wildlife management program and the land consists of hardwood and pine forest, open fields, a trout stream (East Wachusett Brook), the trout pond, and a natural three-acre wetland habitat. The club permits public hunting throughout the year including deer, turkey, and stocked pheasant hunting. Programs needing a classroom setup are held in the clubhouse, which has a meeting and function room and commercially equipped kitchen. The grounds include parking for 100 cars, and half-acre of manicured lawn for outdoor activities. Norco facilities are rentable for private functions and organization who have similar mission & purpose.

Example Sponsorship and Community Awareness from Norco Youth Day 2018
